Valkyr Adventures Proof of Vaccination Protocol

Dear guests,

In keeping with current Federal and Provincial vaccination standards we will be requiring each of you to provide us with proof that you have received a double dose of an approved vaccine.

In BC, as in many other provinces, we have a QR code that we keep on our cell phones to show at restaurants or other public venues in order to be allowed entry.

At the time of final payment please do one of the following:

- 1) Share your QR code with Shelly's cell (250) 308-8575. Once viewed and checked off on your file it will be deleted.
- 2) If your province doesn't have a QR method please send whatever method is being used where you live either by email or by sending to Shelly's cell phone.

Additionally, please include the following information:

- The date of your trip
- The lodge you are booked at

We will have a record at staging of those who have provided their proof of vaccination. **If your name is not on that list, you will not be going on your ski trip!**

If none of the above methods work for you give us a call and we'll work something out. All information share with us is treated confidentially.

Thank you,

Shelly
