VALKYR ADVENTURES PAYMENT AND CANCELLATION POLICY

Payment policy

To make a reservation it is the policy of Valkyr Adventures Inc. to receive a reservation fee representing a 50% value on the pre-tax package of the trip, with the balance plus taxes due 3 months prior to trip time. If the trip is less than 3 months away the full amount plus taxes must be paid at the time of the initial booking. For a reservation placed more than a year in advance a deposit of not less than 25% of the pretax trip cost is allowed with the remainder of the 50% deposit due 1 year prior to the trip. Payment can be made using email transfer on Canadian banks, personal cheque, bank transfer, wire transfer from your bank or by WISE money transfer system, Visa, MasterCard or American Express. Please note that we will not guarantee a reservation until payment is made. A booking confirmation will be issued upon receipt of payment.

Cancellation policy

The initial minimum reservation fee representing 25% of the pre-tax basic lodge accommodation portion of each ticket is non-refundable. If an individual cancels their trip 3 months or more prior to trip time, the deposit less the non-refundable reservation fee will be refunded. After the final payment is received, no refunds are possible. Valkyr Adventures reserves the right to refuse a refund on group cancellations. Groups or individuals may sell their trip to another party at any time. There will be no admin fees charged if it is a private sale. If the Valkyr office executes the sale, there will be a 10% administration fee. If Valkyr Adventures cancels your trip prior to you arriving at the lodge, you will be issued a transfer credit or refund for any deposits made on the cancelled trip. Trips will not be cancelled, and no refund or credit will be issued due to poor weather or conditions.

Booking Advisories

All guests must sign the Valkyr Adventures waiver of claims and indemnity agreement at the lodge.

If the Sunday helicopter exchange is not completed, Valkyr Adventures Inc. will not be responsible for overnight accommodation, meals or missed flights or other travel connections. The helicopter transfer will resume the following day and is covered by your ticket. Give leeway in your travel plans for delayed exit from the lodge.

Groups of 12 qualify for exclusive use of the lodge. Self-guided groups must reserve all 12 seats.

Helicopter freight and baggage weight limitations are in effect; overage charges may result from exceeding the allowed limit.

Guests and staff are expected to comply with BCCDC recommendations and Valkyr Adventures Best Practices for communicable disease prevention while at the lodge. In the event of serious illness or injury, guests will be responsible for evacuation costs, front country accommodation and travel expenses.

We strongly recommend that you purchase trip cancellation, emergency medical and evacuation insurance to cover unforeseen events.
